## In Ali's Jewelry Store

---

**1** Ali      What is this?

---

**2** Louis

---

**3** Renata

---

**4** Ali      It's a chicken.

---

**5** Renata    Oh. Excellent choice. I'll get a box.

---

**6** Ali      Renata!

---

**7** Renata    What?    Oh. It's a chicken. I wasn't even... You just make me so nervous that I can't... I guess I'll just go get my stuff from your assistant and go.

---

**8** Ali      You are my assistant.

---

**9** Renata    Then who did I give my purse to?

---

**10** Louis

---

**11** Renata    You don't even know me.

---

**12** Louis

---

**13** Renata    I am so in.

---

**14** Louis      All right.

---

**15** Ali      Why are you here?

---

**16** Louis

---

**17** Ali      I am not having sex with a chicken.

---

**18** Louis

Here is my recipe for zesty lemon chicken.    And if you're feeling ambitious, I also gave you the instructions for a three-minute banana bread.

---

**19** Ali      We both work. He gets home earlier than I do. Why can't    he make me dinner?

---

**20** Louis

---

**21** Ali And I didn't realize you were mamie eisenhower.

---

**22** Louis First of all... Kadooze on the mamie eisenhower reference.

---

**23** Ali He told you he wants me to make him dinner?

---

**24** Louis

---

**25** Ali I think we're done here.

---

**26** Louis Do you think I'm wrong?

---

**27** Ali Of course I think you're wrong!

---

**28** Louis

---

**29** Ali Fine. You're wrong.

---

**30** Louis Ali, my eyes are over here.

---

**31** Ali I know. You're wrong!

---

**32** Louis

---

**33** Ali

---

**34** Louis Does it?

---

**35** Ali Yes.
